MEMORANDUM FOR RECORD

SUBJECT: Contact with AEFPRIMER-1 on Tuesday, 9 July 1957

1. Subject told [redacted] during his assessment on Monday, 8 July, that he wished to talk with the undersigned at the earliest convenience.
2. The undersigned, along with [redacted], picked Subject up at the Hotel Roger Smith on Tuesday morning and drove out to the A&R safehouse. There the undersigned and Subject held a meeting for about 15 minutes.
3. Subject submitted an accounting of his expenses incurred during an official trip the previous week. The expenses amounted to \$174.06. Subject told the undersigned that he wanted to review the status of Agency-Byelorussian activities and future activities. He requested a meeting with [redacted] regarding the Hot War cadre and stated that he also had a "special plan" he wanted to present to the undersigned or [redacted] and wondered whether or not there would be an opportunity for another meeting. The undersigned told him that she and [redacted] were planning to meet with him during the latter part of the week. He was asked by the undersigned about the general idea of his "plan" and he stated that it was about a letter received by a friend of his in Argentina from his brother in Poland who had written about a planned visit to Argentina. Subject stated he felt this presented operational opportunities because the man in Poland holds a high government position and was free to travel between Poland and Byelorussia. The undersigned promised to arrange for a meeting with [redacted] at which time she told Subject he could present his plan. Subject agreed to this and the meeting was terminated.
